

LIGHTING ENGINEERING 2006
RAZSVETLJAVA 2006

Call for Papers

This year's topic of interest:

Lighting of Work Places

OBJECTIVE:

The 2006 Lighting Engineering Conference and Exposition offers an excellent opportunity for presenting technical papers and lighting design posters to one of the largest gatherings of Slovene and international experts in the field. The emphasis is both on the research and practical applications.

WORKING LANGUAGE:

The working language of the conference will be Slovene and English.

VENUE and DATE:

The conference will take place in Hotel Astoria, BLED, on October, 12th and 13th 2006.

50 years of SDR

SUBMISSION of PAPERS:

Participants are kindly invited to submit papers which are not necessarily obliged to deal with the topic of interest. All papers presented at the conference will be published in the conference proceedings.

REGISTRATION FEE:

EUR 184,- (for advance registration-before September 29th 2006)

EUR 205,- (for on-site registration)

EUR 31,- (students with presentations, without accommodation)

Fee includes: proceedings, accommodation in Hotel Astoria****, two lunches, dinner, breakfast and coffee breaks.

This year also:

CALL FOR BEST LIGHTING DESIGN PROJECTS

This year we are continuing with the award "**SDR GOLDEN MEDAL FOR BEST INDOOR LIGHTING PROJECT**". Lighting designers and manufacturers/sellers are invited to enter the competition with posters (100x70 cm) with text, pictures of modeling and pictures of

realization. Realization of the project should have taken place in Slovenia.

The members of the experts' jury are an architect, a lighting designer and an electrical engineer.
